## CoWorking Space

CoWorking is a new form of collective working which benefits not only from joint use of work space, equipment and infrastructure but in particular from personal contacts between the individual tenants – the co-workers. GTC is the place to go to hire a work desk for your own or your team or even a larger project group. CoWorking spaces are available for rent on a daily, weekly and monthly basis.

### What does the CoWorking target group look like?

- All those who want to try out self-employed working schemes or part-time projects
- Project groups who have to cope with peak activity levels
- Solitary workers who cannot stand lonesome working at home any more and prefer to work in a community
- All those inclined to be distracted from work if alone in their home office
- Freelancers and creative minds who prioritize their flexibility
- All those who want to profit from an atmosphere of creative interchange to build a synergetic network
- Students with a freelance business

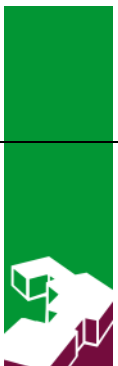

### Your benefits at a glance

- No waste of time looking for a suitable place to work
- No cost-intensive rental agreements
- Flexible rental times on a daily, weekly or monthly basis
- Office space fully equipped
- No commission
- Conference and meeting rooms
- Pooling of equipment as e.g. color laserprinter, copy machine and scanner
- Personal lockboxes for personal belongings
- Premises to work and premises to come together
- Beverage service
- Kitchenette open for everyone
- ... and last not least a kind and amiable community

**You focus on your business, we will take care of the rest. So, you will have plenty of time to develop and manage your company in an optimal way.**
